Manogna-

I wanted to apology for any misunderstanding. I am so sorry if there was any confusion in your medical record. I Honestly brought you to the hospital for help and I did not release any of your personal life when we went to the hospital. I think the record is referring to when you were speaking to the social worker via video conference in the Emergency Room and you wanted to tell her your life story with your husband and she was having difficulty understanding what you were saying so I was helping her to understand your words. I pray for peace with your personal life.

Hi Manogna,

I was very surprised at reading this email. You sound very angry at Dasha and are blaming her for ruining your family life which is both unfair and untrue. I know that Dasha did not disclose anything to the hospital about you or your life and was always acting in a way that she thought was in your best interest. She has been a true friend to you and sacrificed hours and hours of her time that could have been spent with her own family to be there to support you and serve you in any way that she could. I think you owe her an apology.

Thanks,
Bishop Sonne

Thank you Sister Dasha, but like I told you an apology won't fix my life which I was forming with so moral and so many dreams for me, for my husband and for my kids.

I don't know why I was ended up in ER first thing in the place instead of me going to a out patient counselor like I committed suicide (or) have an heart attack and also I don't know why a social worker has to be involved like I am a prostitute (or) drug dealer (or) Alcohol Abuser.

FYI - MY HUSBAND ALREADY KNOW EACH AND EVERY SINGLE NITTY GRITTY DETAILS OF MY WHOLE LIFE FROM THE DAY THAT I WAS BORN IN THIS UNIVERSE. I NEVER ASKED ANYONE TO TELL MY HUSBAND ABOUT MY LIFE AND ALSO I AM PRETTY SURE YOU NEVER APPROACHED HIM

AS PER ER RECORDS I SHOULD HAVE BEEN DISCHARGED ON THE SAME DAY BUT THE WHOLE LIFE OF MY FAMILY HAS BEEN MESSED UP

YOU KNOW ME BETTER, I NEVER TOLD MY LIFE TO ANYONE EXCEPT TO YOU. I NEVER ASKED YOU TO INVOLVE A SOCIAL WORKER TO ANNOUNCE MY DEATH AFTER I DIE IN HOSPITAL AS SUICIDIAL CASE.

I WANTED TO LET YOU KNOW I DIDN'T WAKE UP UNTIL MONDAY EVENING 8:00 PM ONCE I HAVE BEEN SEDUCED WITH DRUGS AND POISONED FOOD TO MAKE MY SUBCONSCIOUS MIND TALK ABOUT MY PERSONAL LIFE.

BEING AS A FRIEND YOU SHOULD NEVER LET TOUCH MY PERSONAL LIFE AND MY FAMILY.

I HOPE YOU WILL UNDERSTAND THE PAIN ANY LIVING BEING GOES THROUGH WHEN THEY ARE BEING CALLED BITCH THOUGH THAT IS NOT THE TRUTH

ONE OF THE DIAGNOSIS GIVEN ON THE MRN RECORDS IS MY LIFE.

Texas Plano Presbyterian behavioral center

To doctor Husnian Ashraf

Need Explanation for the illegal diagnosis performed on me
“**MANOGNA DEVABHAKTUNI**” during the period from
01/06/2019 – 01/24/2019 without MY Written CONSENT otherwise a
major case will be filed in the federal court and the US government
against to the medical system and the hospital that I got treated.

SPRING WOOD BEHAVIORAL CENTER

I WAS TAKING A SHOWER IN
BATHROOM AFTER I WOKE UP IN

02/06/2019 AROUND 10:00 AM WHICH
IS ALMOST AFTER 2 DAYS AND I DIDN'T**

HAVE ANY ORNAMENTS OR WEAPONS ON ME.

MY STORY

A LDS Church member "Dasha Barton" that is in my ward of church took me and kept me on an illegal malpractice diagnosis from 01/04/2019 – 01/06/2019 soon after I got my citizenship on 12/10/2018 and I ended up in a stage where I don't even know or have any information about what exact diagnosis happened on me WHICH IS VERY BIG CRIME AGAINST US FEDERAL LAW. There are multiple medical examinations performed on me without my consent or my friend's consent which is totally illegal as per the US Federal Law and will be filed in the court against to the Medical Center by the patient.

***** I HAVE LITERALLY PROOF OF "EXPLANATION OF BENEFITS" DOCUMENT SENT BY MY MEDICAL INSURANCE COMPANY WHICH HAS EACH AND EVERY DETAILS OF THE EXAMS PERFORMED ON MY PHYSICAL BODY. I NEED TO KNOW RIGHT AWAY WHY THOSE EXAMS ARE PERFORMED ON ME WITH MY CONSENT. NONE EXPLAINED ME WHAT KIND OF EXAMINATIONS ARE BEING DONE ON ME AND MADE ME TO SIGN THE PAPER WORK AFTER SEDUCING ME WITH THE MEDICATIONS THAT WERE PRESCRIBED BY THE DOCTORS WHOM I HAVEN'T MET OR SEEN WHEN I WAS IN THE MEDICAL CENTER FOR 7 DAYS.

I never been hospitalized with any of the major issues since the day I was born. Due Dasha Barton I ended up in to the medications and diagnosis done on me with out my consent when I was there for 7 days in hospital which is not relevant for my case. I was not able to recollect any of the incidents that happened since the moment I went it to CT scan except them feeding me forcefully poison food "Chicken Marsala, Chocolate Cake, cold roasted noodles" without my consent or without me ordering it.

This is very big illegal diagnosis comment on me by medical center without me mentioning to them by myself.

FYI – I even went to Frisco Police Station myself to get assistance on the day to get to check my apartment because of what she did on 01/04/2019 when she came to visit me as per my request. I never carried any drugs (or) weapons or have any illegal case filed against to me for that since 2012. Also I never mentioned I had dangerous weapons at home to kill myself (or) my kids or threaten anyone around me (or) no one got me there saying that I was very dangerous human being that cannot be allowed to live in normal environment.

Because of the treatment, examinations that were done on me and the medications that were prescribed to cover the truth made my heart beat go up loud and also caused me nervous pain in my brain which was never there previously before I stepped in to hospital. Having hallucinations is different than feeling my brain will explode anytime if I won't sleep whole day.

Subject: Thank You for your time and meeting 08/06/2019

Dear duly respected Jorge Infantes,

Thank you sir for your time that you spent with me on 08/06/2019 about discussing regarding the behavior of "William Pearce" with me during my PRP meeting. Its a very severe impact of sexual harassment done on me and that is not done first time on me in "New York Life" company which is very odd situation that I went through multiple times after 01/12/2019 once I came out from hospital before I went on leave from my business in March (or) April (or) so of 2019 to get everything settled up with my personal life regarding CPS cases and after I joined the business back again recently in July 2019. I never went through this before 01/12/2019 though I started working in July 2018.

Jorge, FYI - I am not complaining to you which is not there and which very awkward for any agent that is in New York Life or in any other company and I am not sure how others will handle it when they will go through this kind of harassment by different people and different ways and different timings and different situations.

Being with the experience of working in IT companies of various industries for 13 years after following the HIPPA rules that were established in those companies to respect the privacy of the people in the work places, I need to let you know this kind of harassment is considered as sexual harassment which is not accepted and its very serious and severe that alters the company reputation and rules and Agency Standard and Procedures which will effect your guide of rules for agents.

Based on how the harassments happened after 3rd person assaulting me which put me down in a way I decided to let every one in the company know and also reported it to federal court where I filed my other cases to fix my life and running my case against the people that I already opened the case on 07/22/2019 and the file that I dropped with you. I just wanted to let you know and keep you in loop about me complaining in the federal court based on how severity it is without giving you surprises.

Below are the details that are considered as sexual harassment done on an agent by management team (Managing Partner) and another Agent---

1. William Pearce -- How he ended up treating me in PRP meeting on 07/22/2019 by putting his legs and feet up on the table pointing my face and body and chair.
2. David Johnson - He ended up looking in to my cell phone forcefully without my permission even though I requested him to show the applications on the desktop in his office when I was in one of his PRP meeting after I came out of hospital and joined back the work. Its totally mental harassment and sexual harassment too as he grabbed my cellphone without asking me and my permission especially when we are in PRP meeting and going through my laptop issue with internet soon after I brought my laptop and got ready to return the IPAD he borrowed me.
3. James C Griffith - One of the David Brooks Team member that was assigned to help to get long term care policy enrollment with one of my client who ended up not getting enrolled about how Jamie dealt with him when he came to Frisco office to enroll in to the policy with us. Also he misbehaved with me when I asked him to train me with the proper steps about long term care and he ended up repeating the same stuff about Term Life and whole life products though I mentioned to him that I already know. At the same time, he started watching me over my shoulder in to my laptop without telling me and reading my personals from my notes in the notebook and in the laptop which is totally sexual harassment done on me at that time.

I kept it professional without bringing that up to you as I was not able to speak up myself how my life was there at that time.

Please let me know if you need any further information about my case that is there in Federal Court that started working on my initial file.

Re: IRS Impersonation Scam Complaint Form: High Priority (Financial Loss & PII)

From: manogna devabhaktuni (manognadevabhaktuni@yahoo.com)

To: complaintsirsimpersonation@tigta.treas.gov

Date: Wednesday, November 27, 2019, 11:25 AM CST

Duly Respected Randolph

Yes sir its a IRS fraud Impersonation Scam case that is done by David C Godbey, Joe A Fish, and Rutherford Rebecca that are supporting and helping "New York Life Insurance Company" to rob and loot the people savings through life insurance policies and other financial saving products.

***** I am one of the victim with *****practical proofs***** in my hand that was under that attack in August and September 2019****. Being their previous employee, I figured it out that they are under the plan of looting money from the retirement benefits of the policy owners that are having savings with them in their Whole Life Insurance Products when I tried to take my money from my policies that I have with them because of my need of money to pay taxes from my savings in the policies that I have with New York Life Insurance company savings.

Also, I am tax professional since 2006 who kept paying the taxes on time professional without missing and went under criminal cyber IRS fraud attack by few people that are not paying taxes properly when I was there under attack starting from 01/07/2017 through 09/30/2018. After the robbery I went to a stage where I couldn't pay my taxes and become a criminal so that me and my kids get died in that IRS Fraud attack.

My Case that I opened in federal court to get help from them to get this crime fixed is ***** 3:19-CV-01743-N-BT ***** as its a criminal case that need attention from IRS and US Government as it started happening soon after I became citizen on 12/10/2018 with thorough validation about my character and health in the society by USCIS and US Government.

***** Its a IRS fraud as David C Godbey and Rutherford Rebecca started terminating the defendants once the summons are approved by court and plaintiff "me - Manogna Devabhaktuni" started serving those summons to the defendants and also letting criminals leave without proper justification to more explosion of scam and fraud on others even though they have practical proofs literally in their hands

I need justification as its a criminal case and everyone closed my cases and terminated my defendants on the case.

Please let me know if you need the proofs to support the case as I have to send you them.

Regard
Manogna Devabhaktuni

DEVABHAKTUNI MANOGNA,
Plaintiff,

v.

CPS, ET AL.,

femaled
§
§

§
§

No. 3:19-cv-1743-N (BT)

ORDER

Plaintiff filed a motion to proceed *in forma pauperis*. (ECF No. 5.)

Whether to permit or deny an application to proceed *in forma pauperis* is within the sound discretion of the Court. *Prows v. Kastner*, 842 F.2d 138, 140 (5th Cir. 1988); *see also*, 28 U.S.C. § 1915. Courts should make the assessment of financial ability after considering whether payment of the filing fee will result in the petitioner "suffering undue financial hardship."

Prows, 842 F.2d at 140.

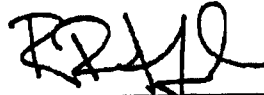

Here, Plaintiff states *not married - & divorced* his wife receives an income of \$5,000 per month, and that he receives \$7,000 per month in public benefits and \$1,370 in child support. He states he has two children, and the only expenses he lists is \$1,370 per month for food. The Court finds Plaintiff has

failed to show that payment of the \$400 filing fee would cause undue financial hardship.

The Court will defer ruling on Plaintiff's motion to proceed *in forma pauperis* and will grant Plaintiff 30 days from the date of this order to pay the filing fee. Failure to pay the filing fee will result in a recommendation that this action be dismissed.

SO ORDERED.

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

Good Afternoon Sir,

I sued "New York Life" Company in Federal Court of Texas on 07/22/2019 and submitted a summons to them on 11/07/2019 for its fraud plan of looting policy owner's savings benefits money and dumping them as their plan after taking their money away from the policy owners of their products by exposing the policy owners' privacy data like SSN, Bank Information etc through cell phone by installing their apps without security on cell phone.

Also I sued them for the sexual harassment done on me by 3 employees "David Johnson, William Pearson, and Jamie Griffith" of that company when I am working with them and also they are detouring me through malpractices for me approaching to the HR, UNUM and CEO of the company for their harassment towards me though those are valid ones after they promised me that they will provide me the justification for the harassment done on me as those are valid ones.

There is a lot of malpractice and sexual harassment done on me and my kids as a terrorist attack soon I became an American citizen on 12/10/2018. The malpractice started happening on me starting from 01/06/2019 because of LDS Church members as they didn't like me to follow freedom of religion and be myself. They forced me to marry a man from church and I disagreed that.

Sir, I need my situation to be announced in the news as CPS, DFPS cheated me using a wrong case and handed over my kids to sexual assaulter and criminal though I opened the case with them on 02/05/2019 to protect my kids.

Please help me as everyone in the church and New York Life detoured me and made me homeless, jobless and kidless and also some of the judges in the federal court are cheating me once I started serving the summons and I am not sure.

It's a drug terrorist attack happened on a valid American citizen because of not letting LDS Church members to rule her life as I am Hindu converted Mormon and they don't like Indians to mingle with American families or Indians praying both gods based on freedom of religion rule to grow spiritually.

Regards
Manogna Devabhaktuni

They planned to keep me through malpractice detonation for 90 days but i fought with them and finally they let me out as they do know i am running my cases in federal court and federal court is helping me to fix the malpractice happened starting from 01/06/2019 as i started suing the people and the resources that made me to go through detonations by church and work soon after I became American Citlzen on 12/10/2018.

I had to complain this to IC3 due to their Impact on me as they did abducted me in April 2019 from 04/21/2019 - 05/02/2019 until CPS case worker and forced me on illegal medications even though i just went for check up in Medical City of Frisco ER with COPS help because of the dehydration I went through due to weather changes and drug removal from my body that were induced in to me on 01/04/2019 because of the church member "Dasha Barton" putting me in to malpractice as drug dealer, weapon dealer and sexual assaulter though I am normal American Citizen

Duly Respected Sir "Greg Abbott"

I truly need your help to get my kids back from CPS and Mr. Mohan Kumar Ravi, who is hidden sexual offender and assaulter for years as I know him.

CPS started helping me with the case I opened and they also promised me saying that they are getting my kids back to me for sure but ended up closing the case on 07/15/2019 without no evidence that I am a criminal.

Mr. Mohan Kumar Ravi took away kids from me on 10/18/2019 with illegal case when doctor "Vazquez" kidnapped intentionally and harassed me sexually, mentally and physically for a month starting from "09/18/2019 - 10/16/2019" under malpractice using the Judge name "Rutherford Rebecca" who is a magistrate judge on my case that I opened in the federal court to support me to get the negative characters of the LDS Mormon Church who put me in to malpractice as a drug dealer, weapon dealer, sexual harasser soon after I got my USCIS and US Government approved "American Citizenship on 12/10/2018" because of me not letting any church man to enter in to my apartment as per the church members allocation to get in to my family to touch my personal life.

LDS Church decided to terminate my life forcefully and put my kids Trayee Ravi (8 Year Old) and Kushal Ravi (5 Year old) through sexual, mental and physical harassments for not letting them to lead me like they wanted.

They used a church member with the title "Woman Relief Society President" and named "Dasha Barton" to put me in to the Malpractice by abducting me forcefully on 01/06/2019 and put me in to malpractice. I have all proofs that she is the criminal and also church forced me to leave my job when they are helping and also made me to loose my apartment saying that they cannot help me in any way as I am not listening to them.

Sir, they truly killed my family and got me on to streets where my employer "New York Life" Insurance company harassed me sexually, mentally and physically for figuring out there fraud of hiring multiple agents from different ethnicity and planning to loot the money from the people retirement benefits. When I figured their plan there are 3 men who harassed me sexually, mentally and physically to get me to date them and quit the job. When I was exhausted I complained to HR, CEO and UNUM and to the team members and the agent director "Jorge Infantis" detonated my position when I went to serve them the Law Suit Summon "got approved by federal court" against to them on 09/03/2019 by following their directions. They also made me totally homeless, kidsless, carless, Jobless and without no pay for the hours that I worked with that company for last 9 months.

Please help me sir as New York Life planned fraud to kill peoples life by taking away their retirement benefits by not giving them back once they started investing in them. Currently they are performing cyber fraud by using their financial applications that are being used to enroll policies with the clients private data like SSN, DOB, Bank Information and Health information. They are performing this cyber fraud by accessing their financial applications through cellphones/laptops/IPADS while and after enrolling the clients in to their products and policies.

I have proof saying that they are performing fraud as I tried to get the loan on the policies that I enrolled with them last year and they didn't let me do anything and also they moved away my money from my account to different account and they didn't let me touch my money. Being their past employee I used to educate clients saying that we can take the loan or take away the money when ever we need it after certain value of policy. I checked that as I need that money and they said they will let me but ended up moving them away without telling me anything.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; NOTE: federal question actions take precedence over diversity cases.)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If a related case exists, whether pending or closed, insert the docket numbers and the corresponding judge names for such cases. A case is related to this filing if the case: 1) involves some or all of the same parties and is based on the same or similar claim; 2) involves the same property, transaction, or event; 3) involves substantially similar issues of law and fact; and/or 4) involves the same estate in a bankruptcy appeal.
